with said interest being payable on February 15, 2011, and semiannually on each August 15 and February 15 thereafter while this Bond or any portion hereof is outstanding and unpaid.

THE INSTALLMENTS OF PRINCIPAL OF AND THE INTEREST ON this Bond are payable in lawful money of the United States of America, without exchange or collection charges. The installments of principal and the interest on this Bond are payable to the registered owner hereof through the services of Wells Fargo Bank, National Association, Austin, Texas which is the "Paying Agent/Registrar" for this Bond. Payment of all principal of and interest on this Bond shall be made by the Paying Agent/Registrar to the registered owner hereof on each principal and/or interest payment date by check or draft drawn by the Paying Agent/Registrar on, and payable solely from, funds of the District required by the resolution authorizing the issuance of this Bond (the "Bond Resolution") to be on deposit with the Paying Agent/Registrar for such purpose as hereinafter provided; and such check or draft shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, on each such principal and/or interest payment date, to the registered owner hereof, at the address of the registered owner, as it appeared at the close of business on the

last business day of the month next preceding each such date (the "Record Date") on the Registration Books kept by the Paying Agent/Registrar, as hereinafter described, or by such other method, acceptable to the Paying Agent/Registrar requested, and at the risk and expense of, the registered owner. The District covenants with the registered owner of this Bond that on or before each principal and/or interest payment date for this Bond it will make available to the Paying Agent/Registrar, from the "Interest and Sinking Fund" created by the Bond Resolution, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on this Bond, when due.

IF THE DATE for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND has been authorized in accordance with the Constitution and laws of the State of Texas for the purpose of constructing and acquiring improvements to the District's waterworks, sewer and drainage systems.

ON August 15, 2019, or on any date thereafter, the unpaid installments of principal of this Bond may be prepaid or redeemed prior to their scheduled due dates, at the option of the District, with funds derived from any available source, as a whole, or in part, and, if in part, the District shall select and designate the maturity or maturities and the amount that is to be redeemed, and if less than a whole maturity is to be redeemed, the District shall direct the Paying Agent/Registrar to call by lot (provided that a portion of this Bond may be redeemed only in an integral multiple of \$5,000), at a price equal to the principal amount to be so prepaid or redeemed, plus accrued interest to the date fixed for prepayment or redemption. At least 30 days prior to the date fixed for any such prepayment or redemption a written notice of such prepayment or redemption shall be mailed by the Paying Agent/Registrar to the registered owner hereof. By the date fixed for any such prepayment or redemption due provision shall be made by the District with the Paying Agent/Registrar for the payment of the required prepayment or redemption price for this Bond or the portion hereof which is to be so prepaid or redeemed, plus accrued interest thereon to the date fixed for prepayment or redemption. If such written notice of prepayment or redemption is given, and if due provision for such payment is made, all as provided above, this Bond, or the portion thereof which is to be so prepaid or redeemed, thereby automatically shall be treated as prepaid or redeemed prior to its scheduled due date, and shall not bear interest after the date fixed for its prepayment or redemption, and shall not be regarded as being outstanding except for the right of the registered owner to receive the prepayment or redemption price plus accrued interest to the date fixed for prepayment or redemption from the Paying Agent/Registrar out of the funds provided for such payment. The Paying Agent/Registrar shall record in the Registration Books all such prepayments or redemptions of principal of this Bond or any portion hereof.

THIS BOND, to the extent of the unpaid or unredeemed principal balance hereof, or any unpaid and unredeemed portion hereof in any integral multiple of \$5,000, may be assigned by the initial registered owner hereof and shall be transferred only in the Registration Books of the District kept by the Paying Agent/Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Bond Resolution. Among other requirements for such transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar for cancellation, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment by the initial registered owner of this Bond, or any portion or portions hereof in any integral multiple of \$5,000, to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. Any instrument or instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any such portion or portions hereof by the initial registered owner hereof. A new bond or bonds payable to such assignee or assignees (which then will be the new registered owner or owners of such new Bond or Bonds) or to the initial registered owner as to any portion of this Bond which is not being assigned and transferred by the initial registered owner, shall be delivered by the Paying Agent/Registrar in conversion of and exchange for this Bond or any portion or portions hereof, but solely in the form and manner as provided in the next paragraph hereof for the conversion and exchange of this Bond or any portion hereof. The registered owner of this Bond shall be deemed and treated by the District and the Paying Agent/Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the District and the Paying Agent/Registrar shall not be affected by any notice to the contrary.

AS PROVIDED above and in the Bond Resolution, this Bond, to the extent of the unpaid or unredeemed principal balance hereof, may be converted into and exchanged for a like aggregate principal amount of fully registered bonds, without interest coupons, payable to the assignee or assignees duly designated in writing by the initial registered owner hereof, or to the initial registered owner as to any portion of this Bond which is not being assigned and transferred by the initial registered owner, in any denomination or denominations in any integral multiple of \$5,000 (subject to the requirement hereinafter stated that each substitute bond issued in exchange for any portion of this Bond shall have a single stated principal maturity date), upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Resolution. If this Bond or any portion hereof is assigned and transferred or converted each bond issued in exchange for any portion hereof shall have a single stated principal maturity date corresponding to the due date of the installment of principal of this Bond or portion hereof for which the substitute bond is being exchanged, and shall bear interest at the rate applicable to and borne by such installment of principal or portion thereof. Such bonds, respectively, shall be subject to redemption prior to maturity on the same dates and for the same prices as the corresponding installment of principal of this Bond or portion hereof for which they are being exchanged. No such bond shall be payable in installments, but shall have only one stated principal maturity date. AS PROVIDED IN THE BOND RESOLUTION, THIS BOND IN ITS PRESENT FORM MAY BE ASSIGNED AND TRANSFERRED OR CONVERTED ONCE ONLY, and to one or more assignees, but the bonds issued and delivered in exchange for this Bond or any portion hereof may

be assigned and transferred, and converted, subsequently, as provided in the Bond Resolution. The District shall pay the Paying Agent/Registrar's standard or customary fees and charges for transferring, converting, and exchanging this Bond or any portion thereof, but the one requesting such transfer, conversion, and exchange shall pay any taxes or governmental charges required to be paid with respect thereto. The Paying Agent/Registrar shall not be required to make any such assignment, conversion, or exchange during the period commencing with the opening of business on any Record Date and ending with the close of business on the next following principal or interest payment date.

IN THE EVENT any Paying Agent/Registrar for this Bond is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Bond Resolution that it promptly will appoint a competent and legally qualified substitute therefore, and promptly will cause written notice thereof to be mailed to the registered owner of this Bond.

IT IS HEREBY certified, recited, and covenanted that this Bond has been duly and validly voted, authorized, issued, sold, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance, and delivery of this Bond have been performed, existed, and been done in accordance with law; that this Bond is a general obligation of said District, issued on the full faith and credit thereof; that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in said District, and have been pledged irrevocably for such payment, without limit as to rate or amount; and that this bond is further secured by and payable from an irrevocable lien on and pledge of the Net Revenues of the District's water and wastewater system, all as defined in the Resolution authorizing this Bond, or any Bonds issued to refund such Bonds.

THE DISTRICT expressly reserves the right to issue Additional Bonds payable from taxes and also secured by a pledge of and lien on the Net Revenues to be derived from the operation of its water and wastewater system. Said additional tax and revenue bonds may be in all respects on a parity and of equal dignity with this Bond.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Resolution, agrees to be bound by such terms and provisions, acknowledges that the Bond Resolution is duly recorded and available for inspection in the official minutes and records of the governing body of the District, and agrees that the terms and provisions of this Bond and the Bond Resolution constitute a contract between the registered owner hereof and the District.

IN WITNESS WHEREOF, the District has caused this Bond to be signed with the manual signature of the President of the Board of Directors of the District and countersigned with the manual signature of the Secretary of the Board of Directors of the District, has caused the official seal of the District to be duly impressed on this Bond, and has caused this Bond to be dated November 1, 2010.

Section 6.      ADDITIONAL CHARACTERISTICS OF THE BONDS. Registration and Transfer (a) The District shall keep or cause to be kept at the principal corporate trust office of Wells Fargo Bank, National Association, Austin, Texas (the "Paying Agent/Registrar") books or records of the registration and transfer of the Bonds (the "Registration Books"), and the District hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such transfers and registrations under such reasonable regulations as the District and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such transfers and registrations as herein provided. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The District shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. Registration of each Bond may be transferred in the Registration Books only upon presentation and surrender of such Bond to the Paying Agent/Registrar for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, (i) evidencing the assignment of the Bond, or any portion thereof in any integral multiple of \$5,000, to the assignee or assignees thereof, and (ii) the right of such assignee or assignees to have the Bond or any such portion thereof registered in the name of such assignee or assignees. Upon the assignment and transfer of any Bond or any portion thereof, a new substitute Bond or Bonds shall be issued in conversion and exchange therefore in the manner herein provided. The Initial Bond, to the extent of the unpaid or unredeemed principal balance thereof, may be assigned and transferred by the initial registered owner thereof once only, and to one or more assignees designated in writing by the initial registered owner thereof. All Bonds issued and delivered in conversion of and exchange for the Initial Bond shall be in any denomination or denominations of any integral multiple of \$5,000 (subject to the requirement hereinafter stated that each substitute Bond shall have a single stated principal maturity date), shall be in the form prescribed in the FORM OF SUBSTITUTE BOND set forth in this Resolution, and shall have the characteristics, and may be assigned, transferred, and converted as hereinafter provided. If the Initial Bond or any portion thereof is assigned and transferred or converted the Initial Bond must be surrendered to the Paying Agent/Registrar for cancellation, and each Bond issued in exchange for any portion of the Initial Bond shall have a single stated principal maturity date, and shall not be payable in installments; and each such Bond shall have a principal maturity date corresponding to the due date of the installment of principal or portion thereof for which the substitute Bond is being exchanged; and each such Bond shall bear interest at the single rate applicable to and borne by such installment of principal or portion thereof for which it is being exchanged. If only a portion of the Initial Bond is assigned and transferred, there shall be delivered to and registered in the name of the initial registered owner substitute Bonds in exchange for the unassigned balance of the Initial Bond in the same manner as if the initial registered owner were the assignee thereof. If any Bond or portion thereof other than the Initial Bond is assigned and transferred or converted each Bond issued in exchange therefore shall have the same principal maturity date and bear interest at the same rate

as the Bond for which it is exchanged. A form of assignment shall be printed or endorsed on each Bond, excepting the Initial Bond, which shall be executed by the registered owner or its duly authorized attorney or representative to evidence an assignment thereof. Upon surrender of any Bonds or any portion or portions thereof for transfer of registration, an authorized representative of the Paying Agent/Registrar shall make such transfer in the Registration Books, and shall deliver a new fully registered substitute Bond or Bonds, having the characteristics herein described, payable to such assignee or assignees (which then will be the registered owner or owners of such new Bond or Bonds), or to the previous registered owner in case only a portion of a Bond is being assigned and transferred, all in conversion of and exchange for said assigned Bond or Bonds or any portion or portions thereof, in the same form and manner, and with the same effect, as provided in Section 6(d), below, for the conversion and exchange of Bonds by any registered owner of a Bond. The District shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such transfer and delivery of a substitute Bond or Bonds, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto. The Paying Agent/Registrar shall not be required to make transfers of registration of any Bond or any portion thereof (i) during the period commencing with the opening of business on any Record Date and ending with the close of business on the next following principal or interest payment date, or, (ii) with respect to any Bond or portion thereof called for redemption prior to maturity, within 30 days prior to its redemption date.

(b) Ownership of Bonds. The entity in whose name any Bond shall be registered in the Registration Books at any time shall be deemed and treated as the absolute owner thereof for all purposes of this Resolution, whether or not such Bond shall be overdue, and the District and the Paying Agent/Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of, premium, if any, and interest on any such Bond shall be made only to such registered owner. All such payment shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(c) Payment of Bonds and Interest. The District hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Bonds, and to act as its agent to convert and exchange or replace Bonds, all as provided in this Resolution. The Paying Agent/Registrar shall keep proper records of all payments made by the District and the Paying Agent/Registrar with respect to the Bonds, and of all conversions and exchanges of Bonds, and all replacements of Bonds, as provided in this Resolution. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District.

Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of

each registered owner of each Bond as it appeared on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

(d) Conversion and Exchange or Replacement: Registration and Authentication. Each Bond issued and delivered pursuant to this Resolution, to the extent of the unpaid or unredeemed principal balance or principal amount thereof, may, upon surrender of such Bond at the principal corporate trust office of the Paying Agent/Registrar, together with a written request therefore duly executed by the registered owner or the assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, may, at the option of the registered owner or such assignee or assignees, as appropriate, be converted into and exchanged for fully registered bonds, without interest coupons, in the form prescribed in the FORM OF SUBSTITUTE BOND set forth in this Resolution, in the denomination of \$5,000, or any integral multiple of \$5,000 (subject to the requirement hereinafter stated that, each substitute Bond shall have a single stated maturity date), as requested in writing by such registered owner or such assignee or assignees, in an aggregate principal amount equal to the unpaid or unredeemed principal balance or principal amount of any Bond or Bonds so surrendered, and payable to the appropriate registered owner, assignee, or assignees, as the case may be. If the Initial Bond is assigned and transferred or converted each substitute Bond issued in exchange for any portion of the Initial Bond shall have a single stated principal maturity date, and shall not be payable in installments; and each such Bond shall have a principal maturity date corresponding to the due date of the installment of principal or portion thereof for which the substitute Bond is being exchanged; and each such Bond shall bear interest at the single rate applicable to and borne by such installment of principal or portion thereof for which it is being exchanged. If a portion of any Bond (other than the Initial Bond) shall be redeemed prior to its scheduled maturity as provided herein, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in the denomination or denominations of any integral multiple of \$5,000 at the request of the registered owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon surrender thereof for cancellation. If any Bond or portion thereof (other than the Initial Bond) is assigned and transferred or converted, each Bond issued in exchange therefore shall have the same principal maturity date and bear interest at the same rate as the Bond for which it is being exchanged. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond. The Paying Agent/Registrar shall convert and exchange or replace Bonds as provided herein, and each fully registered bond delivered in conversion of and exchange for or replacement of any Bond or portion thereof as permitted or required by any provision of this Resolution shall constitute one of the Bonds for all purposes of this Resolution, and may again be converted and exchanged or replaced. It is specifically provided, however, that any Bond delivered in conversion of and exchange for or replacement of another Bond prior to the first scheduled interest payment date on the Initial Bond shall be dated the same date as the Initial Bond, but each substitute Bond so delivered on or after such first scheduled interest payment date shall be dated as of the interest payment date preceding the date on which such substitute Bond is delivered, unless such Bond is delivered on an interest payment date, in which case it shall be dated as of such date of delivery; provided, however, that if at the time of delivery of any substitute Bond the interest on the Bond for which it is being exchanged has not been paid, then such Bond shall be dated as of the date to which

such interest has been paid in full. THE INITIAL BOND issued and delivered pursuant to this Resolution is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in conversion of and exchange for or replacement of any Bond or Bonds issued under this Resolution there shall be printed a certificate, in the form substantially as follows:

"PAYING AGENT/REGISTRAR'S REGISTRATION CERTIFICATE

It is hereby certified that this Bond has been issued under the provisions of the Bond Resolution described on the face of this Bond; and that this Bond has been issued in conversion of and exchange for or replacement of a bond, bonds, or a portion of a bond or bonds of an issue which originally was approved by the Attorney General of the State of Texas and registered by the Comptroller of Public Accounts of the State of Texas.

\_\_\_\_\_  
Paying Agent/Registrar

\_\_\_\_\_  
Authorized Representative"

An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign the above Certificate, and no such Bond shall be deemed to be issued or outstanding unless such Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all Bonds surrendered for conversion and exchange or replacement. No additional ordinances, orders, or resolutions need be passed or adopted by the governing body of the District or any other body or person so as to accomplish the foregoing conversion and exchange or replacement of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein, and said Bonds shall be of type composition printed on paper with lithographed or steel engraved borders of customary weight and strength. Pursuant to Subchapter D, Title 9, Government Code, the duty of conversion and exchange or replacement of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the above Paying Agent/Registrar's Registration Certificate, the converted and exchanged or replaced Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Initial Bond which originally was issued pursuant to this Resolution, approved by the Attorney General, and registered by the Comptroller of Public Accounts. The District shall pay the Paying Agent/Registrar's standard or customary fees and charges for transferring, converting, and exchanging any Bond or any portion thereof, but the one requesting any such transfer, conversion, and exchange shall pay any taxes or governmental charges required to be

paid with respect thereto as a condition precedent to the exercise of such privilege of conversion and exchange. The Paying Agent/Registrar shall not be required to make any such conversion and exchange or replacement of Bonds or any portion thereof (i) during the period commencing with the opening of business on any Record Date and ending with the close of business on the next following principal or interest payment date, or, (ii) with respect to any Bond or portion thereof called for redemption prior to maturity, within 30 days prior to its redemption date.

(e) In General. (f) Payment of Fees and Charges. The District hereby covenants with the registered owners of the Bonds that it will (i) pay the standard or customary fees and charges of the Paying Agent/Registrar for its services with respect to the payment of the principal of and interest on the Bonds, when due, and (ii) pay the fees and charges of the Paying Agent/Registrar for services with respect to the transfer of registration of Bonds, and with respect to the conversion and exchange of Bonds solely to the extent above provided in this Resolution.

(g) Substitute Paying Agent/Registrar. The District covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the District will provide a national or state banking institution, or a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, and subject to supervision or examination by federal or state authority, to act as and perform the services of Paying Agent/Registrar for the Bonds under this Resolution, and that the Paying Agent/Registrar will be one entity. The District reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 120 days written notice to the Paying Agent/Registrar, to be effective not later than 60 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the District covenants that promptly it will appoint a national or state banking institution, or a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, and subject to supervision or examination by federal or state authority, to act as Paying Agent/Registrar under this Resolution. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof, along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the District. Upon any change in the Paying Agent/Registrar, the District promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying

Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Resolution, and a certified copy of this Resolution shall be delivered to each Paying Agent/Registrar.

(h) Book-Entry Only System. The Bonds issued in exchange for the Bonds initially issued to the purchaser specified herein shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company of New York ("DTC"), and except as provided in subsection (f) hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created ("DTC Participant") to hold securities to facilitate the clearance and settlement of securities transactions among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of Bonds, as shown on the Registration Books, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of Bonds, as shown in the Registration Books of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Resolution to the contrary, the District and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the registered owners, as shown in the Registration Books as provided in this Resolution, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the District to make payments of principal and interest pursuant to this Resolution. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Resolution with respect to interest checks being mailed to the registered owner at the close of business on the Record date,, the words "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

(i) Successor Securities Depository; Transfers Outside Book-Entry Only System. In the event that the District determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the District to DTC or that it is in the best interest of the

beneficial owners of the Bonds that they be able to obtain certificated Bonds, the District shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names registered owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Resolution.

(j) Payments to Cede & Co. Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representations and Letter on Principal and Income Payment Guidelines of the District to DTC.

(k) Notice of Redemption. (i) In addition to the notice of redemption set forth in the FORM OF BOND, the Paying Agent/Registrar shall give notice of redemption of the Bonds by first class mail, postage prepaid at least thirty (30) days prior to a redemption date to each registered securities depository and to any national information service that disseminates redemption notices. In addition, in the event of a redemption caused by an advance refunding of the Bonds, the Paying Agent/Registrar shall send a second notice of redemption to the persons specified in the immediately preceding sentence at least thirty (30) days but not more than ninety (90) days prior to the actual redemption date. Any notice sent to the registered securities depositories or such national information services shall be sent so that they are received at least two (2) days prior to the general mailing or publication date of such notice. The Paying Agent/Registrar shall also send a notice of prepayment or redemption to the Registered Owner of any Bond who has not sent the Bonds in for redemption sixty (60) days after the redemption date.

(ii) Each notice of redemption given by the Paying Agent/Registrar, whether required in the FORM OF BOND or in this Section, shall contain a description of the Bonds to be redeemed including the complete name of the Bonds, the Series, the date of issue, the interest rate, the maturity date, the CUSIP number, the certificate numbers, the amounts called of each certificate, the publications and mailing date for the notice, the date of redemption, the redemption price, the name of the Paying Agent/Registrar and the address at which the Bonds may be redeemed, including a contact person and telephone number.

(iii) All redemption payments made by the Paying Agent/Registrar to the Registered Owners shall include a CUSIP number relating to each amount paid to such Registered Owner.

Section 7. FORM OF SUBSTITUTE BONDS. The form of all Bonds issued in conversion and exchange or replacement of any other Bond or portion thereof, including the form of Paying Agent/Registrar's Certificate to be printed on each of such Bonds, and the Form of Assignment to be printed on each of the Bonds, shall be, respectively, substantially as follows, with such appropriate variations, omissions, or insertions as are permitted or required by this Resolution.

Any accrued interest due upon the redemption of this Bond prior to maturity as provided herein shall be paid to the registered owner at the principal corporate trust office of the Paying Agent/Registrar upon presentation and surrender of this Bond for redemption and payment at the principal corporate trust office of the Paying Agent/Registrar. The District covenants with the registered owner of this Bond that on or before each principal payment date, interest payment date, and accrued interest payment date for this Bond it will make available to the Paying Agent/Registrar, from the "Interest and Sinking Fund" created by the Bond Resolution, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due.

IF THE DATE for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is one of a Series of Bonds initially dated November 1, 2010, authorized in accordance with the Constitution and laws of the State of Texas in the principal amount of \$5,200,000, for the purpose of constructing and acquiring improvements to the District's waterworks, sewer and drainage systems.

ON August 15, 2019, or on any date thereafter, the Bonds of this Series maturing on and after August 15, 2021 may be redeemed prior to their scheduled maturities, at the option of the District, with funds derived from any available and lawful source, as a whole, or in part (provided that a portion of a Bond may be redeemed only in an integral multiple of \$5,000), for the principal amount thereof plus accrued interest to the date fixed for redemption. If less than all of the Bonds are to be redeemed, the District shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar (or DTC while the Bonds are in Book-Entry-Only form) to call by lot Bonds, or portions thereof, within such maturity or maturities and in such principal amounts, for redemption. At least 30 days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be published once in a financial journal or publication, of general circulation in the City of New York, New York, or in the State of Texas. Such notice also shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, not less than 30 days prior to the date fixed for any such redemption, to the registered owner of each Bond to be redeemed at its address as it appeared on the 45th calendar day prior to such redemption date and to major securities depositories and bond information services. By the date fixed for any such redemption due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions thereof which are to be so redeemed, plus accrued interest thereon to the date fixed for redemption. If such written notice of redemption is published and if due provision for such payment is made, all as provided above, the Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price plus accrued interest from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the registered owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the District, all as provided in the Bond Resolution.

THIS BOND OR ANY PORTION OR PORTIONS HEREOF IN ANY INTEGRAL MULTIPLE OF \$5,000 may be assigned and shall be transferred only in the Registration Books of the District kept by the Paying Agent/Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Bond Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any integral multiple of \$5,000 to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner, or its duly authorized attorney or representative, to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be

used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner or any subsequent assignee, including all assignments from assignee to assignee prior to the ultimate registration of such Bond in the name of an assignee. A new Bond or Bonds payable to such assignee or assignees (which then will be the new registered owner or owners of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Paying Agent/Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds. The District shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such transfer, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto. To the extent possible, new Bonds issued in an exchange or transfer of the Bonds will be delivered to the registered owner or assignee of the registered owner in not more than three (3) business days after the receipt of the Bonds to be canceled, and the written instrument of transfer or request for exchange duly executed by the registered owner or its duly authorized agent, in form satisfactory to the Paying Agent/Registrar. The Paying Agent/Registrar shall not be required to make transfers of registration of this Bond or any portion hereof (i) during the period commencing with the opening of business on any Record Date and ending with the close of business on the next following principal or interest payment date, or, (ii) with respect to any Bond or portion thereof called for redemption prior to maturity, within 30 days prior to its redemption date. The registered owner of this Bond shall be deemed and treated by the District and the Paying Agent/Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the District and the Paying Agent/Registrar shall not be affected by any notice to the contrary.

ALL BONDS OF THIS SERIES are issuable solely as fully registered bonds, without interest coupons, in the denomination of any integral multiple of \$5,000. As provided in the Bond Resolution, this Bond, or any unredeemed portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, and bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000 as requested in writing by the appropriate registered owner, assigned, or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Resolution. The District shall pay the Paying Agent/Registrar's standard or customary fees and charges for transferring, converting, and exchanging any Bond or any portion thereof, but the one requesting such transfer, conversion, and exchange shall pay any taxes or governmental charges required to be paid with respect thereto as a condition precedent to the exercise of such privilege of conversion and exchange. The Paying Agent/Registrar shall not be required to make any such conversion and exchange (i) during the period commencing with the opening of business on any Record Date and ending with the close of business on the next following principal or interest payment date, or, (ii) with respect to any Bond or portion thereof called for redemption prior to maturity, within 30 days prior to its redemption date.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Bond Resolution that it promptly will appoint a competent and legally qualified substitute therefore, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

IT IS HEREBY certified, recited, and covenanted that this Bond has been duly and validly voted, authorized, issued, sold, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance, and delivery of this Bond have been performed, existed, and been done in accordance with law; that this Bond is a general obligation of said District, issued on the full faith and credit thereof; that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in said District, and have been pledged irrevocably for such payment, without limit as to rate or amount; and that this bond is further secured by and payable from an irrevocable lien on and pledge of the Net Revenues of the District's water and wastewater system, all as defined in the Resolution authorizing this Series of bonds, or any bonds issued to refund such Bonds.

THE DISTRICT expressly reserves the right to issue additional bonds payable from taxes and also secured by a pledge of and lien on the Net Revenues to be derived from the operation of its water and wastewater system. Said additional tax and revenue bonds may be in all respects on a parity and of equal dignity with this bond and the Series of which it is apart.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Resolution, agrees to be bound by such terms and provisions, acknowledges that the Bond Resolution is duly recorded and available for inspection in the official minutes and records of the governing body of the District, and agrees that the terms and provisions of this Bond and the Bond Resolution constitute a contract between each registered owner hereof and the District.

IN WITNESS WHEREOF, the District has caused this Bond to be signed with the facsimile signature of the President of the Board of Directors of the District and countersigned with the facsimile signature of the Secretary of the Board of Directors of the District, and has caused the official seal of the District to be duly impressed, or placed in facsimile, on this Bond.

Section 8. The Bonds authorized to be issued and delivered by this Resolution are "Additional Bonds," as defined in Section 18 of the Series 1999 Bond Resolution authorizing the Senna Hills Municipal Utility District Unlimited Tax and Water Works and Sewer System Revenue Bonds, Series 1999. Therefore, except where inconsistent with the provisions of this Resolution, Sections 8, 9 and 11 through 17, inclusive, of the Series 1999 Bond Resolution are hereby adopted by reference, and the same shall apply with equal force to the Bonds ordered to be issued by this Resolution as if said Sections were fully set forth herein. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the ad valorem taxes and Net Revenues granted by the District under this Section, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the ad valorem taxes and Net Revenues granted by the District is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Section 9. TAX LEVY. (a) All taxes levied and collected for an on account of said bonds shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of said Bonds are outstanding and unpaid, the Board of Directors of the District shall compute and ascertain the rate and amount of ad valorem tax, based on the valuation of taxable property in the District, according to the latest approved tax rolls of said District, which will be sufficient to raise and produce the money required to pay the interest on and principal of said Bonds, as such interest comes due, and such principal matures, with full allowances being made for tax delinquencies and costs of tax collections. Said rate and amount of ad valorem tax is hereby ordered to be levied and is hereby levied against all taxable property in said District for each year while any of said Bonds are outstanding and unpaid, and said ad valorem tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes necessary to pay the interest on and principal of said Bonds, as such interest comes

due and such principal matures, are hereby pledged irrevocably for such purposes, without limit as to rate or amount.

(b) At such time as the Net Revenues from the operation of the System (herein pledged) together with money derived from taxes shall have accumulated a surplus in the Interest and Sinking Fund in an amount at least equal to the principal of and interest on the Bonds scheduled to mature and accrue in the year next succeeding, then the annual tax levy may be reduced to such rate as will produce not less than twenty five per cent (25%) of the principal and interest requirements for each of the next succeeding years, until an actual experience of three (3) successive years shall demonstrate that the Net Revenues are wholly adequate to pay the principal of and the interest on the Bonds as the same mature and accrue, at which time the District tax may be wholly abated until further experience may demonstrate the necessity again to exercise the District's taxing power in order to avoid default in the payment of said Bonds and the interest thereon as the same mature and accrue.

Section 10. ADDITIONAL BONDS. The District expressly reserves and shall hereafter have the right to issue in one or more installments such other combination unlimited tax and revenue bonds as were authorized at the Confirmation Election and as may hereafter be authorized at subsequent elections. Such bonds may be payable from and equally secured by a pledge of and lien on the Net Revenues of the System to the same extent as pledged and in all things on a parity with the lien of these bonds.

Furthermore, the District expressly reserves and shall hereafter have the right to issue in one or more installments the following:

1) Additional Revenue Bonds. The District expressly reserved the right to issue additional bonds payable solely from Net Revenues of the System, as set forth above, for the purpose of completing, repairing, improving, extending, enlarging or replacing the System, and such bonds may be payable from and equally secured by a lien on and pledge of said net revenues on a parity with the pledge thereof for these Bonds. Provided, however, that before the District can issue additional parity bonds payable solely from the revenues of the District's System, an independent certified public accountant shall certify that the Net Revenues of the District's system for the previous fiscal year have been equal to at least 1.25 times the average annual requirements for principal and interest of the then outstanding bonds of the District payable in whole or in part from the net revenues of the District's system, and a registered professional engineer shall certify that the anticipated Net Revenues of the District's system will equal at least 1.50 times the average annual requirements for payment of the then outstanding bonds of the District payable in whole or in part from the revenues of the District's system plus the additional bonds proposed to be issued; however, such certificates shall not be required for the issuance of additional bonds payable solely from ad valorem taxes or for additional bonds payable from both ad valorem taxes and net revenues of the District's system.

2) Inferior Lien Bonds. The District also reserves the right to issue inferior lien bonds and to pledge the Net Revenues of the system to the payment thereof, such pledge to be subordinate in all respects to the lien of these bonds and any previously issued combination unlimited tax and revenue or revenue bonds on a parity with the bonds of this series.

3) Special Project Bonds. The District further reserves the right to issue special project bonds for the purchase, or repair of water, sewer and/or drainage facilities necessary under a contract or contracts with persons, corporations, municipal corporations, political subdivisions or other entities, such special project bonds to be payable from and secured by the proceeds of such contract or contracts. The District further reserves the right to fund such bonds.

4) Refunding Bonds. The District further reserves the right to refund any of these bonds or additional combination unlimited tax and revenue or revenue bonds subject to prior redemption, or any bond the bearers of which have consented to have refunded, and the refunding bonds so issued shall enjoy complete equality of lien with the remaining bonds not refunded, if any such bonds remain, and the refunding bonds so issued shall enjoy the priority of lien enjoyed by the bonds being refunded.

Section 11. MAINTENANCE AND OPERATION; INSURANCE. While any of the Bonds or Additional Bonds are outstanding, the District covenants and agrees to maintain the System in good condition and operate the same in an efficient manner and at reasonable expense, and to maintain insurance on the System, for the benefit of the holder or holders of said bonds, of a kind and in an amount which usually would be carried by private companies engaged in a similar type of business and which will insure the District against claims for which it can be liable under the Texas Tort Claims Act, or any amendment thereof, or any similar law.

Section 12. ACCOUNTS AND FISCAL YEAR. The District shall keep proper books of records and accounts, separate and apart from all other records and accounts of the District, in which complete and correct entries shall be made of all transactions relating to the System, and shall have said books audited once each fiscal year by a Certified Public Accountant. The District agrees to operate the System and keep its books of records and accounts pertaining thereto on the basis of its current fiscal year; provided, however, that the Board of Directors may change such fiscal year if such change is deemed necessary by the Board of Directors.

Section 13. ACCOUNTING REPORTS. Within ninety days after the close of each fiscal year hereafter, the District will furnish, without cost, to any holder of any outstanding Bonds, or Additional Bonds, who may so request, a signed or certified copy of a report by a Certified Public Accountant, covering the next preceding fiscal year, showing the following information:

(a) A detailed statement of all gross revenues of the System and all expenses of operating and maintenance thereof for said fiscal year.

- (b) Balance sheet as of the end of said fiscal year.
- (c) Accountant's comment regarding in the manner in which the District has complied with the requirements of this Resolution and his recommendations, if any, for the changes or improvements in the operation and maintenance of the System.
- (d) List of insurance policies in force at the end of said fiscal year, showing as to each policy, the risk covered, the amount of the policy, the name of the insurer, and the expiration date.
- (e) The number of properties served by the System, if any, and the gross revenues from said System for said fiscal year.
- (f) The number of unmetered customers of the System at the end of said fiscal year.
- (g) The approximate number of gallons of water registered through the District's meters, and the number of gallons sold during said fiscal year.

Section 14. INSPECTION. Any holder or holders of any Bonds or Additional Bonds shall have the right at all reasonable times to inspect the System and all records, accounts, and data of the District relating thereto.

Section 15. DEFEASANCE OF BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") within the meaning of this Resolution, except to the extent provided in subsection (d) of this Section 9, when payment of the principal of such Bond, plus interest thereon, to the due date (whether such due date be by reason of maturity, upon redemption or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption), or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Government Obligations which mature as to principal and interest in such amounts and at such times as will insure the availability without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the District with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon, shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged as provided in this Resolution, and such principal and interest shall be payable solely from such money or Government Obligations.

(b) Any monies so deposited with the Paying Agent/Registrar may at the written direction of the District also be invested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from such Government Obligations received by the Paying

Agent/Registrar which is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the District, or deposited as directed in writing by the District.

(c) The term "Government Obligations" as used in this Section, shall mean direct obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, which may be United States Treasury obligations such as its State and Local Government Series, which may be in book-entry form.

(d) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the District shall make proper arrangements to provide and pay for such services as required by this Resolution.

#### Section 16. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS AND SUPPLEMENTAL INTEREST CERTIFICATES.

(a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacements of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the registered owner applying for a replacement bond shall furnish to the District and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the registered owner shall furnish to the District and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of or interest on the Bond, the District may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the District whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Bonds duly issued under this Resolution.

(e) Authority for Issuing Replacement Bonds. In accordance with Subchapter D, Title 9, Government Code, this Section 16 of this Resolution shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the District or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 6(d) of this Resolution for Bonds issued in conversion and exchange for other Bonds.

Section 17. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION; AND CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION, IF OBTAINED. The President of the Board of Directors of the District is hereby authorized to have control of the Initial Bond issued hereunder and all necessary records and proceedings pertaining to the Initial Bond pending its delivery and its investigation, examination, and approval by the Attorney General of the State of Texas, and its registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Initial Bond said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate on the Initial Bond, and the seal of said Comptroller shall be impressed, or placed in facsimile, on the Initial Bond. The approving legal opinion of the District's Bond Counsel and the assigned CUSIP numbers may, at the option of the holder, be printed on the Initial Bond or on any Bonds issued and delivered in conversion of and exchange or replacement of any Bond, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. In addition, if bond insurance is obtained, the Bonds may bear an appropriate legend as provided by the Insurer.

Section 18. COVENANTS REGARDING TAX EXEMPTION. The District covenants to take any action necessary to secure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the District covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Bonds (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in Section 141(b)(6) of the Code or, if more than 10 percent of the proceeds are so used, that amounts, whether or not received by the District, with respect to such private business use, do not, under the terms of this Resolution, or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of Section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of Section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of Section 141(c) of the Code;

(d) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of Section 141(b) of the Code;

(e) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of Section 149(b) of the Code;

(f) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in Section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with:

(1) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the bonds are issued,

(2) amounts invested in a bona fide debt service fund, within the meaning of Section 1.103-13(b)(12) of the Treasury Regulations, and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(g) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of Section 148 of the Code (relating to arbitrage) and, to the extent applicable, Section 149(d) of the Code (relating to advance refundings);

(h) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of Section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under Section 148(f) of the Code; and

(i) to maintain such records as will enable the District to fulfill its responsibilities under this Section and Section 148 of the Code and to retain such records for at least six years following the final payment of principal and interest on the Bonds.

(j) The District need not comply with the covenants and duties imposed by the provisions of Subsection h of this Section if:

(1) (a) the District is a governmental unit with general taxing powers;

(b) 95% of the Net Proceeds of the Bonds and all income from the investment thereof will be used for the governmental activities of the District;

(c) the aggregate face amount of all debt obligations issued or expected to be issued by the District or any subordinate entity in the calendar year in which the Bonds are issued (including the bonds but excluding obligations to be redeemed with proceeds of the Bonds within 90 days after the date on which the Bonds are to be issued) is not reasonably expected to exceed \$5,000,000; and

(d) the District otherwise satisfies the requirements of paragraph (4)(D) of Section 148(f) of the Code and the regulations and rulings thereunder, or

(2) the gross proceeds of the Bonds, not including gross proceeds which are held in a bona fide debt service fund, are expended for the purposes for which the Bonds were issued by no later than the day which is six (6) months after the date of issuance of the Bonds, and the rebate requirements are met with respect to amounts not required to be spent as provided in subclause (I) of paragraph 4(B)(i) of Section 148(f) of the Code. For the purpose of the foregoing sentence a bona fide debt service is a fund that is used primarily to achieve a proper matching of revenues and debt service within each bond year, and a bona fide debt service fund for a single issue must be depleted at least once a year except for a reasonable carryover amount (not to exceed the greater of (A) one (1) year's earnings on the fund or (B) one-twelfth of annual debt service). A bona fide debt service may be established for two or more issues, provided that the total amount in the fund at no time

exceeds the total of the amounts that could be held in bona fide debt service funds established separately for each of the issues.

The District shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on form 8038G or such other form and in such place as the Secretary may prescribe.

In order to facilitate compliance with the above covenants (g), (h) and (i), the "Rebate Fund" is hereby established by the District for the sole benefit of the United States of America, and such Fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with Section 148 of the Code.

It is the understanding of the District that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or ruling are hereafter promulgated which modify, or expand provisions of the Code, as applicable to the Bonds, the District will not be required to comply with any covenant contained herein to the extent that such modification or expansion, in the opinion of recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under Section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the District agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally-recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under Section 103 of the Code.

Section 19. NOTICES TO HOLDERS; WAIVER. Wherever this Resolution provides for notice to holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to the address of each holder as it appears in the Registration Book.

In any case where notice to holders is given by mail, neither the failure to mail such notice to any particular holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to any other holders. Where this Resolution provides for notice in any manner, such notice may be waived in writing by the holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 20. DESIGNATION AS QUALIFIED TAX-EXEMPT BONDS. The District hereby designates the Bonds as "qualified tax-exempt bonds" as defined in Section 265(b)(3) of the Code. In furtherance of such designation, the District represents, covenants and warrants the

following: (a) that during the calendar year in which the Bonds are issued, the District (including any subordinate entities) has not designated nor will designate obligations, which when aggregated with the Bonds, will result in more than \$10,000,000 of "qualified tax-exempt obligations" being issued; and (b) that the District reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year in which the Bonds are issued, by the District (or any subordinate entities) will not exceed \$10,000,000.

Section 21. ESCROW ACCOUNT AND CONSTRUCTION FUND. That the proceeds from the sale of the Bonds shall be deposited in the Construction Fund with the exception of the amount equal to accrued interest, and the amount allocated to capitalized interest, which shall be deposited in the Interest and Sinking Fund. The same monies on deposit in the Construction Fund, including any interest earned on these monies, shall be used solely for payment of the expenses incident to the issuance of the Bonds, including fiscal, legal and engineering fees and expenses, and acquiring the facilities for which the bonds are being issued. The President of the Board shall forward a check to the Texas Commission on Environmental Quality in the amount of 0.25% of the principal amount of the bond issue to pay the Commission fee as specified in the Order of the Texas Commission on Environmental Quality Order on \_\_\_\_\_, 2010. The sum required by the Order of the Texas Commission on Environmental Quality of \$640,000 shall be placed in an escrow account, the terms of which will prohibit the account holder from allowing withdrawal of funds for District use except on receipt of written authorization from the staff of the Texas Commission on Environmental Quality. The money remaining in the Construction Fund after acquisition of the system for which these bonds are issued shall be deposited into the Interest and Sinking Fund unless the District receives approval from the TCEQ for use of such funds for other projects.

Section 22. INVESTMENT OF FUNDS. The Board may deposit money held for the credit of either fund established by this Resolution in time or demand deposits and may invest such money in any obligation authorized by law at the time of such investment. Any such obligation shall mature, or shall be held subject to redemption, not later than the respective dates when money is expected to be required for the purposes intended. Obligations so purchased as an investment of money credited to either such fund shall at all times be deemed to be a part of such fund. The interest accruing on obligations so purchased or on such interest-bearing time deposits and any profit realized from the investment of money held for the credit of either such fund may be deposited only to the credit of the fund on which the interest is earned. Any loss resulting from the investment of money held for the credit of either such fund shall be charged to such fund. Both funds established by this Resolution shall be secured (to the extent not insured by the Federal Deposit Insurance Corporation) in the manner and to the fullest extent required by law for the security of District funds. It is further provided, however, that interest earnings on the Bond Proceeds which are required to be rebated to the United States of America pursuant to Section 10 hereof in order to prevent Bonds from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

Section 23. REMEDIES. In addition to all rights and remedies of any holder of Bonds provided by the laws of the State of Texas, in the event the District defaults in the payment of the principal of or interest on any of the Bonds when due, or defaults in the observance or performance of any of the covenants, conditions, or obligations set forth in this Resolution, any holder of Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the Board and other officers of the District to make such payment or to observe and perform any covenants, obligation, or condition prescribed in this Resolution. No delay or omission by any holder to exercise any right or power accruing to such holder upon default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedies mentioned in this Resolution shall be available to any holder of Bonds and shall be cumulative of all other remedies.

Section 24. CANCELLATION. All Bonds surrendered for payment, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly cancelled by it and, if surrendered to the District, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The District may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered which the District may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Bonds held by the Paying Agent/Registrar shall be destroyed as directed by the District.

Section 25. RESOLUTION A CONTRACT; AMENDMENTS. The District acknowledges that the covenants and obligations of the District herein contained are a material inducement to the purchase of the Bonds. This Resolution shall constitute a contract with the holders of the Bonds from time to time, binding on the District and its successors and assigns whether or not so expressed, and shall not be amended or repealed by the District so long as any Bond remains outstanding except as permitted by this Section.

The District may, without the consent of or notice to any holders of Bonds, from time to time and at any time amend this Resolution in any manner not detrimental to the interests of the holders of the Bonds, including the curing of any ambiguity, inconsistency, or formal defect or omission herein or therein. In addition, the District may, with the written consent (expressed as provided herein) of the holders of a majority in aggregate principal amount of the Bonds then outstanding affected thereby, amend, add to, or rescind any of the provisions of this Resolution provided that, without the consent of the holders of all of the Bonds affected, no such amendment, addition, or rescission shall (i) extend time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (ii) give any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount of Bonds required for consent to any such amendment, addition, or rescission.

Whenever the District shall desire to make any amendment or addition to or rescission of this Resolution requiring the consent of holders of the Bonds, the District shall cause notice of the amendment, addition, or rescission to be mailed to the holders of the Bonds in the manner provided for notice of redemption. Whenever, at any time within one year after the date of the first mailing of such notice, the District shall receive an instrument or instruments in writing executed by the holders of a majority in aggregate principal amount of the Bonds then outstanding affected by any such amendment, addition, or rescission requiring the consent of holders of Bonds, which instrument or instruments shall refer to the proposed amendment, addition, or rescission described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the District may adopt such amendment, addition, or rescission in substantially such form, except as herein provided. No Holder of Bonds may thereafter object to the adoption of such amendment, addition, or rescission, or to any of the provisions thereof, and such amendment, addition, or rescission shall be fully effective for all purposes.

Section 26. APPROVAL OF PAYING AGENT/REGISTRAR AGREEMENT. The President of the Board of Directors of the District is hereby authorized and directed to execute and delivery and the Secretary of the Board of Directors of the District is hereby authorized and directed to attest a paying agent/registrar agreement in substantially the form presented at the meeting at which this Resolution was adopted.

Section 27. SALE OF INITIAL BONDS AND APPROVAL OF OFFICIAL STATEMENT. The Bonds are hereby sold and shall be delivered to \_\_\_\_\_ for cash in the amount of \$ \_\_\_\_\_ and accrued interest thereon to date of delivery. It is hereby officially found, determined, and declared that the Bonds have been sold at public sale to the bidder offering the lowest net effective interest rate, after receiving sealed bids sealed bids pursuant to an Official Notice of Sale and Official Statement dated September 9, 2010, prepared and distributed in connection with the sale of the Initial Bonds. Said Official Notice of Sale and Official Statement, and any addenda, supplement, or amendment thereto have been and are hereby approved by the governing body of the District, and their use in the offer and sale of the Bonds is hereby approved. It is further officially found, determined, and declared that the statements and representations contained in said Official Notice of Sale and Official Statement are true and correct in all material respects, to the best knowledge and belief of the governing body of the District. Certain proceeds of the Bonds shall be placed in escrow as required by the Order of the Texas Commission on Environmental Quality approving the Bonds, and the District shall pay the 0.25% fee to the Texas Commission on Environmental Quality.

Section 28. CONTINUING DISCLOSURE UNDERTAKING, ANNUAL REPORTS, MATERIAL EVENT NOTICES, LIMITATIONS, DISCLAIMERS, AND AMENDMENTS, AND DEFINITIONS. The District shall provide annually to the MSRB (which is hereafter defined), within six months after the end of each fiscal year ending in or after 2008, financial information and operating data with respect to the District of the general type included in the final Official Statement

authorized by Section 27 of this Resolution, being the information described in Exhibit "A" hereto. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles described in Exhibit "A" hereto and (2) audited, if the District commissions an audit of such statements and the audit is completed within the period during which they must be provided. If audited financial statements are not so provided, then the District shall provide audited financial statements for the applicable fiscal year to the MSRB, when and if audited financial statements become available.

If the District changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the District otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to the MSRB or filed with the SEC.

The District shall notify the MSRB, in a timely manner, of any of the following events with respect to the Bonds, if such event is material within the meaning of the federal securities laws:

- (a) Principal and interest payment delinquencies;
- (b) Non-payment related defaults;
- (c) Unscheduled draws of debt service reserves reflecting financial difficulties;
- (d) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (e) Substitution of credit or liquidity providers, or their failure to perform;
- (f) Adverse tax opinions or events affecting the tax-exempt status of the Bonds;
- (g) Modifications to rights of holders of the Bonds;
- (h) Bond calls;
- (i) Defeasances;
- (j) Release, substitution, or sale of property securing repayment of the Bonds; and
- (k) Rating changes.

The District shall notify the MSRB, in a timely manner, of any failure by the District to provide financial information or operating data in accordance with this Section of this Resolution by the time required by such Section.

The District shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the District remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the District in any event will give the notice required by this Section of any Bond calls and defeasance that cause the District to be no longer such an "obligated person."

The provisions of this Section are for the sole benefit of the holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OR ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OR ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this Section shall constitute a breach of or default under the Resolution for purposes of any other provision of this Resolution.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities law.

The provisions of this Section may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identify, nature, status, or type of operations of the District, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Resolution that authorizes such an amendment) of the

outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the holders and beneficial owners of the Bonds. The District may also amend or repeal the provisions of this continuing disclosure agreement if the Securities and Exchange Commission amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds. If the District so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

As used in this Section 36, the following terms have the meanings ascribed to such terms below:

"MSRB" means the Municipal Securities Rulemaking Board.

"Rule" means SEC Rule 15c2-12, as amended from time to time.

"SEC" means the United States Securities and Exchange Commission.

Section 29. AUTHORITY OF OFFICERS. The President and the Secretary of the Board of the District, and all other officers, employees, and agents of the District, and each of them, shall be and they are hereby expressly authorized, empowered, and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge, and deliver in the name and under the corporate seal and on behalf of the District all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Bond Resolution and the Bonds. In case any officer whose signature shall appear on the Initial Bond shall cease to be such officer before the delivery of the Initial Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if he or she had remained in office until such delivery.

Section 30. OPEN MEETINGS. It is hereby found and determined that the meeting at which this Resolution was adopted was open to the public, and public notice of the time, place and purpose of said meeting was given, all as required by Chapter 551, Texas Government Code and Chapter 49, Texas Water Code, as amended.
